

# Top Dentists

## survey results >> 2009

We asked the state's dentists whom they would recommend if someone were seeking a top dental specialist. Here are the results in seven specialty areas.

periodontics | general dentistry | pediatric dentistry | endodontics | oral and maxillofacial surgery | orthodontics and dentofacial orthopedics | prosthodontics

### The Numbers

We sent out 941 Top Dentist surveys and received 168 replies.

### What Do All Those Initials Mean?

- D.D.S. Doctor of Dental Surgery
- D.M.D. Doctor of Dental Medicine
- D.M.Sc. Doctorate of Medical Sciences
- M.S. Master of Science
- M.S.D. Master of Science in Dentistry
- P.A. Professional Association
- P.L.L.C. Professional Limited Liability Corporation
- F.A.G.D. Fellow in the Academy of General Dentistry

The top five (sometimes six, when the scores were especially close) dentists in each category are listed. The dentist with the most votes appears first, with a photo. The remainder are listed alphabetically.
